III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

Applicable government tax to be deducted from Prize Money: see below

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

Distribution of Prizes and Indemnities

All prize money and all prizes in kind rewarded instead of prize money as well as reimbursements (e. g. transport charges, travelling expenses) will be distributed acc. to FEI-RG Art. 127/128 following the last competition at the latest.

Settlement of accounts per athlete

Reimbursement of prize money will be paid out by bank transfer per athlete (not per horse resp. per horse owner) within 2 weeks after the CHIO. For this purpose the NF's are requested to state the bank information (name of recipient, bank name, bank code, account number, IBAN and BIC codes) of their athletes together with the online entries in HippoBase. In case the money transaction does not go through due to incorrect or incomplete bank information, the OC reserves the right to charge a lump sum of 80,-€ for any handling fees charged by the bank.

The Organising Committee is authorised to deduct any possible outstanding duties from the payment. Each athlete is obliged to forward the prize-money as well as any reimbursement to the respective horse owner.

Each athlete is obliged to check and sign the final account at the accounting office before departure. The horse passports will only be handed out after the accounts have been settled.

Taxation of Foreign Horse Owners, Athletes and Grooms:

According to § 50a - Abs. 4 EStG of the German Tax Rights the OC must detain tax (withholding tax on income earned) from all accounts paid out to foreign horse owners, athletes and grooms.

The horse owners and athletes can apply for exemption of these taxes at the Central Federal Office for Finances, if the lawful requirements are met:

Bundeszentralamt für Steuern, An der Kuppe 1, 53225 Bonn, Germany, phone: +49 228-4060, fax: +49 228-4062661. An exemption of these taxes is only possible if the appropriate certificate is submitted. The documents for the exemption of tax can be downloaded from the website www.bzst.bund.de. Subject to change.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

8. "CONES" - COMPETITION

This competition will be in accordance with FEI Driving Rules

**COMPETITION No. F2 (not counting for the Individual and Team Classification)
 Top Score Driving Competition**

Scoring and Classification:

Each obstacle is allotted 10 to 120 points according to difficulty. Each obstacle may be approached in any direction, but only twice. The athlete is credited with the allotted number of points per obstacle that has been driven correctly. In a maximum allowed time (3 minutes) the Athlete may pass all the obstacles in any order. Ringing the bell declares the end of the time allowed. The athlete must then cross the finishing line in any direction to allow the time to be recorded. If the horses are already in the obstacle when the bell rings, this obstacle still counts.

Taking an obstacle more than twice does not cause elimination; however, the athlete does not score any points. One obstacle specially marked by flags is the "Joker", which may also be taken twice. The 200 points are awarded each time the "Joker" is driven correctly. If it is not driven correctly 200 points are deducted. Obstacles knocked down during the round will not be rebuilt; if they are driven again, no points will be credited to the athlete. Winner is the athlete, who has obtained the highest number of points. In case of equal points, the fastest time decides. In case of equality of points and time for the first place, there will be a drive-off over the same course with a shortened time (2 minutes)

For eventing there will be an optimum time acc. to Eventing Rules 545.2.1., 548.2 and Annex I (Indoor Arena Cross Country Rules)

A team consists of 1 eventing rider, 1 jumping rider and one four-in-hand driver. They enter the arena together. The eventing athlete starts first and jumps a course of approx. 12 XC type obstacles. As soon as the horses forefeet of the eventing rider jumping the last obstacle have reached the ground, the jumping rider may jump the first obstacle of his round. In the meantime the eventing rider dismounts his/her horse and the horse is brought outside of the arena by the groom. The eventing rider walks on foot to the finish line of the jumping course.

As soon as the jumping rider has crossed the finish line the eventing athlete runs to the drivers' waiting area and mounts the carriage.

The carriage driver must then drive an obstacle course with cones and Marathon-type obstacles.

The total time for the team is taken from the moment when the first jumping Athlete crosses the starting line until the driver passes the finishing line. Penalty seconds occurred by the eventing athlete are added to the total time of the team before the first jumping rider starts.

Conversion of penalties into seconds:

knock-down:	3 seconds
disobedience with knock-down:	6 seconds
2nd disobedience:	elimination
Eventer outside the flag:	5 seconds

If any of the members of a team is eliminated in his/her section 60 seconds on top of the time allowed/optimum time in this section will be added to the team result. However, the team is not eliminated and all other athletes may start their sections.
